

Karta SMS Policy

Last Updated: January 11, 2021

By requesting, joining, agreeing to, enrolling in, signing up for, acknowledging, or otherwise consenting to receive one or more text messages (“**Opt In**”) or using a Karta arrangement in which Karta sends (or indicates that it may send, or receives a request that it send) one or more text messages (“**Text Message Service**”), you accept the SMS Policy (“**SMS Policy**”), consent to the handling of your personal information as described in the Karta Privacy Policy, and agree to resolve disputes with Karta as described in our Terms of Service. Message and data rates may apply.

Karta will use reasonable commercial efforts to deliver automated text messages to the mobile number you provide. Karta is not liable for delayed or undelivered messages.

By Opting In to a Text Message Service:

- You expressly authorize Karta to use autodialer or non-autodialer technology to send text messages to the mobile phone number associated with your Opt In. You also authorize Karta to include marketing content in any such messages. You do not have to Opt In or agree to Opt In as a condition of purchase.
- You consent to the use of an electronic record to document your Opt In. To withdraw that consent, contact us via the methods described in the Contact Us section of the Terms of Service, or visit the Notification page in your account settings. If you withdraw your consent, certain features of our service may not be available to you.
- You confirm that you are the current subscriber to the Opted In mobile phone number or that you are the customary user of that number on a family or business plan and that you are authorized to Opt In.
